

[Letter from Harold Spivacke to Carita Doggett Corse, May 13, 1940]

May 13, 1940

Dr. Carita Doggett Corse State Supervisor WPA Writers' Project of Florida 49 West Duval
Street Jacksonville, Florida

Dear Dr. Corse:

I have heard indirectly that you will wish an extension on the loan of the recording machine. I see no objection to this but can you let us know when you may be through with it. The North Carolina project wishes the loan of the machine on August 1 and I was wondering if the one in your possession would be available at that time.

With kindest regards,

Sincerely yours, Harold Spivacke Chief, Division of Music
